"Don't wait for opportunity.....CREATE IT!"

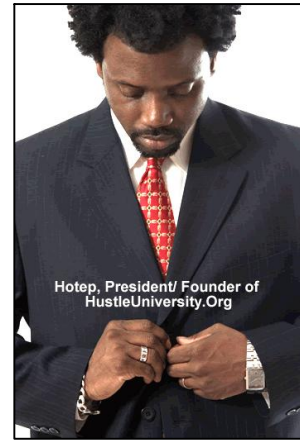

Hustle University is a virtual institution of higher learning for today's Independent Minded Entrepreneur. Founded and taught by Hip-Hop media mogul **Hotep**, the mission of Hustle U is to promote entrepreneurialism and leadership through personal responsibility, empowerment and the teachings of proven success strategies. The school motto is, "Don't wait for opportunity, CREATE IT!"

Hotep is the founder of Hustle University.Org. A veteran educator and Morehouse College graduate, Hotep is widely known for his out-of-the-box thinking and his unique "common sense" approach to improving people's lives through leadership, entrepreneurship and social/ financial ethics. He inspires a love for learning and empowers people to think critically and act responsibly. Hotep's unique strategy is best demonstrated in his classic self-empowerment book, *The Hustler's 10 Commandments*.

"People are looking for answers. The way to become successful is not a secret. It's a matter of Knowing our Purpose, Living with Passion and Exerting our Power! - Hotep
