PURPOSE PASSION POWER

Hus•tler [huhs-ler] Noun 1. an enterprising person determined to succeed; go-getter.

The Hustler's Gospel is a revolutionary self-empowerment presentation that combines ancient wisdom and universally accepted spiritual principles. The main message of this Gospel is: True success, happiness and wealth is only achieved by knowing one's **PURPOSE**, living with **PASSION** and applying one's **POWER**. The Hustler's Gospel presentation is taught by author/ educator, Hotep.

"The Greatest Idea in the World won't work...unless YOU DO!" - Hotep

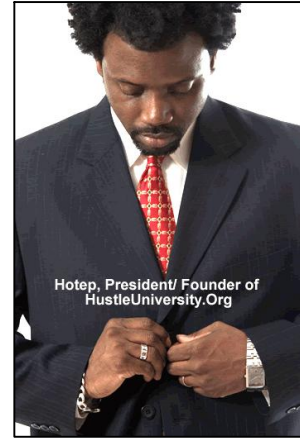

Hotep is the founder of Hustle University.Org, a virtual institution of higher learning for today's entrepreneurs. Hotep (a public school teacher and Morehouse College graduate), is widely known for his "common sense" approach to teaching leadership, entrepreneurship and community/ financial responsibility. Without being "preachy", Hotep teaches personal and professional success principles by applying ancient/spiritual wisdom to today's circumstances. This unique approach to empowerment is best demonstrated in his classic self-empowerment book, **The Hustler's 10 Commandments**.

Com•mand•ment [k-mand'ment] Noun 1. a doctrine that is taught.
